Product Description: **BROWGUARD**
Part Number: **06BG**
Style: **SHIELD**

GENERAL DESCRIPTION:

Our lightweight browguard and lenses provide full face and eye protection against spatters, small particles, and non-hazardous liquids. Made for most work applications including grinding, cutting, brazing, and machining. A sleek, wrap-around design that can be worn comfortably with impact-resistant safety glasses. Our polycarbonate lenses are available in clear, dark green, IR3 and IR5. Meets ANSI Z87.1 standards.

LENSES:

Our browguard lenses are molded from strong polycarbonate, not thin flat materials or materials that yellow over time. These lenses are a perfect fit for any job and provide the protection you will want should a grinding wheel break off or particles come flying in your direction.
