

Powered Dandy Lifts

Raise and Lower Loads at the Touch of a Button

Powered Dandy Lifts build on a 35 year heritage of quality. They lift and lower at the touch of a button providing the ultimate in ergonomics and convenience. Their clean, quiet, user-friendly design make them ideal for high-tech, industrial, retail, and even office environments. Uses include stock rooms, tool rooms, electronic assembly areas, shipping rooms, offices, test stations, maintenance departments, and many more.

And All the Other Little Things That Make it a Dandy

Ergonomic comfort shape handle

Battery status indicator* and onboard charger

Full shielding of all electrical components

Smooth rolling casters and floor lock

High-speed linear actuator for clean, precise positioning

*Except PML-250 which has audible battery discharge alarm
