

Filter,MERV8,100 cfm,Repl.kit

MERV8 Filter kit, 100 cfm, 2 pcs, 8.4"x12.4"

Item #: [414923](#)

Replacement filter kit features 2 cleanable synthetic filters with MERV8 rating. The filters will collect mold spores, pollen, cement dust, carpet fibers, debris, lint, and insects.

With normal usage, it is recommended that you vacuum clean the filter every months, and replace every 3 months.

The kit includes 2 filters. Suitable for FLEX 100H and VHR100R.
