

# VHR 70 Fresh Air Appliance

Top duct connection HRV, 57 cfm

Item #: 463264

Variant: 120V 1~ 60Hz

The VHR 70, Fantech's most compact, full-featured HRV, works continuously to supply fresh air into a home and exhaust an equal amount of stale air from a home.

- Airflow up to 57 cfm @ 0.4" w.g.
- Top port design fits to fit into tight spaces
- Three speed ventilation control
- Serves 1–3 bedroom homes
- Compatible with Fantech's low-voltage controls

This appliance recovers energy from the extract air and uses it to temper the incoming fresh air, optimizing the energy required to pre-cool or pre-heat the newly introduced air.

The VHR 70 is equipped with automatic defrost mechanisms so you can use your HRV all year long.

## In the Box

This appliance comes with a 57 cfm HRV, a wall bracket, and a drain hose kit.
