

KERN OZM952

Predefined stereo microscope set with ball bearing double arm and 4.5 W ring illumination unit for safety and flexibility

Power supply

Input voltage: 100 - 240 V

Category

Brand: Optics

Packaging & shipping

Delivery: 24 h
Dimensions packaging (WxDxH): 680 x 630 x 270 mm
Gross weight: 12,600 kg
Net weight: 11 kg
Shipping method: Parcel service

Construction

Eye distance (max): 76
Eye distance (min): 52
Optical system: Greenough
Rotation of tube 360°: yes
Tube: Binocular
Tube angle: 45°
