

KERN OZP558T241

Professional and powerful thanks to its extremely large magnification range, strong illumination and first-class optics in a digital combination

Power supply

Input voltage: 110 - 220 V

Category

Brand: Optics

Packaging & shipping

Delivery: 24 h
Dimensions packaging (WxDxH): 590 x 440 x 390 mm
Gross weight: 7,550 kg
Net weight: 5,672 kg
Shipping method: Parcel service

Construction

Dimensions (WxDxH): 330 x 285 x 470 mm
Eye distance (max): 76
Eye distance (min): 52
Optical system: Greenough
Rotation of tube 360°: yes
Tube: Trinocular
Tube angle: 35°
