## ***Certificate of Compliance and Capacity Verification***

*Vestil certifies that this ALUM WALK RAMP W/RAIL OVERLAP 168 X 28IN model number AWR-28-14A-HR, complies with all applicable U.S. Federal OSHA regulations and U.S. national standards which are incorporated into U.S. national laws and/or regulations.*

*Capacity verification: A test weight in the range of 100% to 125% of the maximum rated load was applied to a randomly selected sample unit. Afterwards, the sample unit was visually inspected. Inspection confirmed the soundness of all welds, i.e. no permanent deformations or other forms of damage.*

*The end user bears the responsibility to ensure safe, normal operability by testing and inspecting the unit periodically and in accordance with instructions provided with the unit.*

*Date of Issuance: 11/09/2016*
